- Protecting the environment and the safety of people
- Conducting business in a socially responsible and ethical manner, and to observing applicable laws, rules and regulations
- Supporting human rights
- Engaging, learning from, respecting, and supporting the communities and cultures with which we work

All employees and contractors of Virtusa and its subsidiaries will adopt the social responsibility principles described in this policy into their day-to-day work activities

Business principles and fair operating practices

We are committed to

- Maintaining the highest standards of integrity and corporate governance practices to maintain excellence in its daily operations and to promote confidence in our governance systems
- Conducting our business in an open, honest, and ethical manner
- Measuring, auditing, and publicly reporting performance on corporate social responsibility (CSR) programs
- Advising our partners, contractors, and suppliers of this policy and working with them to achieve consistency
- Recognizing the importance of protecting all our human, financial, physical, informational, social, and environmental resources
- Working against corruption in all its forms as set out in the Virtusa Anti-Corruption Policies

All directors, officers and employees are expected to adhere to the standards of conduct and compliance procedures under our Code of Business Conduct and Ethics. A current copy is available on our website at [Corporate compliance | Virtusa](#).

Stakeholder affairs

We are committed to

- Engaging with stakeholders clearly, honestly, and respectfully
- Engaging in timely and meaningful dialogue with all stakeholders, including shareholders, customers, and employees, indigenous peoples, governments, regulators, and landowners, among others.

Environment, health, and safety

We will manage the environment, health, and safety aspects in accordance with the Virtusa Environment, Health, and Safety Policy.

Human rights

We are committed to respecting human rights in accordance with the Virtusa Human Rights Policy.

Community involvement and development

We are committed to

- Following a collaborative, consultative, and partnership approach in our community investment programs
- Integrating community investment considerations into decision-making, practices, and assisting with local capacity building to develop mutually beneficial relationships with communities
- Providing employment and economic opportunities in the communities where we operate

Note: If required, detailed sub-policies can be implemented for different geographies to comply with community development/CSR activities required by law for that region.
